

Privacy Policy

The Japan Society of Plasma Science and Nuclear Fusion Research (hereinafter referred to as the "JSPF") recognizes that it is its social responsibility to protect personal information obtained through the business activities of the Society, and will strive to protect personal information based on the following policy.

The Japan Society of Plasma Science and Nuclear Fusion Research (JSPF)

1. Appropriate management based on relevant laws, regulations, guidelines, etc.

The JSPF will strive to properly manage the handling of personal information in accordance with the "Act on the Protection of Personal Information" and other laws, regulations, and guidelines.

2. Acquisition of Personal Information

The JSPF will acquire personal information by legal and fair means.

3. Use of Personal Information

(1) The JSPF will use personal information within the scope of the purpose of use indicated at the time of acquisition and to the extent necessary for the performance of its business.

- Management of members and membership fees
- Organization of scientific meetings, lectures, workshops, etc.
- Publication of journals, research reports, materials, etc.
- Liaison and cooperation with related domestic and foreign academic organizations
- Businesses necessary to achieve the objectives stipulated in Article 4 of the Articles of Incorporation

(2) When entrusting the handling of personal information to a third party, we will conduct a rigorous investigation of the third party and provide appropriate supervision to ensure that confidentiality is maintained.

4. Provision of Personal Information to Third Parties

The JSPF will not provide personal information to third parties without obtaining the prior consent of the individual, except as required by law.

5. Management of Personal Information

The JSPF shall implement necessary and appropriate security measures in order to prevent the leak, loss, or damage of personal information.

6. Disclosure, correction, suspension of use, and deletion of retained personal data

The JSPF recognizes that individuals have the right to request the disclosure, correction, suspension of use, or deletion of their own personal data (disclosable personal information), and will respond to such requests in good faith.

7. Organization and Structure

(1) The JSPF will appoint a personal information protection manager and implement appropriate management of personal information.

(2) The JSPF will provide training to officers and staff on the protection and appropriate management of personal information, and ensure that personal information is handled appropriately in day-to-day operations and after retirement.

8. Formulation, implementation, maintenance and improvement of a compliance program for the protection of personal information

In order to implement this policy, the JSPF has established the "Personal Information Protection Rules" (as well as other rules), and will ensure that all of our staff and other related parties are made aware of them, implement them, maintain them, and continuously improve them.

9. Contact for inquiries about the protection of personal information

If you have any questions about the privacy policy of the JSPF, please contact the personal information manager (plasma@jspf.or.jp).
